

**SACRAMENTAL STEWARDS SCHEDULE
JANUARY-MAY 2018**

Schedule for first half of 2018. Next schedule will include June 2018 thru May 2019. Names of Steward members listed below. Please call me if you have questions or problems, and when running low on supplies. You will need to purchase 1/2 gallon of grape juice and a loaf of white bread. Mary Beek is our altar loaf baker and will take care of placing it on Saturday before communion. Put a small amount of grape juice in the chalice on the altar and use small doily to cover it. Set up 5 trays each of bread and juice. We may need to adjust this, please let me know if 5 is too much or too little. Leave room on top of cups to prevent spills.

Please be careful to keep the gluten free away from the regular bread. This includes not using the same knives, plates or doilies in preparation or serving. Put 2 or 3 gluten free wafers on small glass plate. This plate is put on large plastic tray. Put a tray on small tables on each side of altar.

Thank you for helping with this ministry! - Linda Johnson
